get correct cuff and leg. Work to desired length. Continue in Children's Large for heel flap and turning heel. Continuing in Children's Large work gussets, sole and instep repeating sole and instep by original repeats times new gauge divided by original gauge or $22 \times 5/6 = 18$ times or to desired length. Continue working toe in Children's Large size to end.

The ribbing pattern on the cuff and/or leg may be replaced with any pattern. The ribbing pattern on the instep may be replaced with any single crochet pattern. The lady's sock on the right is worked with a ribbed cuff and a back loop only single crochet on the leg and instep. Single loop stitches on cuff, leg and instep give added flexibility and stretch. Regular single crochet (picking up both loops) gives durability to the heel and sole.

Patterns for socks using other than fingering yarn.

A few calculations are necessary in converting patterns to a different gauge yarn. The following is an example of the calculations necessary for working women's size medium sock in sport weight yarn using an E hook, with a gauge of 5 sts per inch. Beginning chain number of sts is multiplied by new gauge divided by original gauge. To work cuff and leg ch $48 \times 5/6 = 40$. Instructions for Children's Size Large pattern is used to

To make best use of yarn, especially on large sizes, the heel flap, turning heel, and toe may be worked in a contrasting color yarn. The same contrasting color yarn may be worked in a design with the main color on the cuff and leg.
